OUTLINED BY NATURE

With the most desirable orientation on the Costa del Sol, south-west facing, Mijas Seaviews offers exclusive 2 and 3 bedroom apartments, including 6 exclusive garden apartments in Phase 1, 1st and 2nd floor apartments and spacious penthouses surrounded by terraces offering a 300° view.

In the design of the buildings, the focus has been on privacy, incorporating hanging gardens that fall down the facade as a green-waterfall. This creates lush privacy walls and brings a total integration with the surroundings to the overall vision of the project.
